Dear Ms. Itterman:

Our examination of the information return(s) indicated above disclosed that your organization continues to qualify for exemption from Federal income tax. Accordingly, we accept the return(s) as filed.

However, our examination identified certain deficiencies that we are addressing in the enclosed addendum. Noncompliance with the requirements set forth in the addendum could result in penalties and/or loss of exempt status.

You have the right to contact the office of the Taxpayer Advocate. Taxpayer Advocate assistance is not a substitute for established IRS procedures, such as the formal appeals process. The Taxpayer Advocate cannot reverse a legally correct tax determination, or extend the time fixed by law that you have to file a petition in a United States court. The Taxpayer Advocate can, however, see that a tax matter that may not have been resolved through normal channels gets prompt and proper handling. You may call toll-free 1-877-777-4778 and ask for Taxpayer Advocate Assistance. If you prefer, you may contact your local Taxpayer Advocate at:
