**★ It's time to buy your Farmer's Insurance Open PGA TOUR Tickets today, and give back to LCC Students! ★**

Every year the **Century Club of San Diego** hosts a charity for San Diego local schools and nonprofit organizations. If you are not aware of **S.O.S.D. (Support Our San Diego)**, it is a program administered by the Century Club of San Diego and presented by **SDG&E**. It's main purpose is to host the **Farmers Insurance Open PGA TOUR Golf Tournament**. It is through Century Club's mission to support the community that we are given the opportunity to sell tickets to the Open at a reduced rate, and at the same time keep a portion of the proceeds. **For every \$35 ticket sold, the school receives \$25.** That's more than a 70% kickback that will directly impact our students!

This golf tournament has been played every year since 1952, and consistently has one of the best player fields on the PGA TOUR. But **this tournament is not just a golfing event.** There will be many non-golfing activities, including live music at the end of the day, the Fan Village, and kid-friendly activities. Torrey Pines outdoor oceanfront scenery is beautiful and makes for a great day outdoors with friends and family.

These one-day tickets (valid for any day of the tournament) are **sold at a steeply discounted price.** Purchasing tickets through your sports team's liaison, or directly at the Foundation Office will save you \$15 per ticket compared to buying them from the Farmer's Insurance Open website. Tickets can be purchased right up until January 27th. All forms of payment are accepted at the Foundation Office.

Don't miss this great opportunity to support our students while having fun during one of San Diego's premier events.

**Golf Tournament**

**Date:** January 28~31, 2016.

### **"If You See Something, Say Something™"**

In 2010, the United States Department of Homeland Security started a national campaign to raise public awareness on indicators of terrorism or terrorist activities. Given recent events, it is important for all of us – yes, even high school students – to play a role in keeping our Nation safe. To learn more about this campaign and how you can help, please go to <http://www.dhs.gov/see-something-say-something/about-campaign>. Here you can learn more about the campaign's main focus – identifying and reporting suspicious activity. Sometimes just being alert and paying attention to your surroundings can make all the difference. Please do not be afraid to do your part. Go Mavs!
