Dear LCC Family,

The LCC Foundation proudly welcomes you to our 2016-2017 school year. We are excited to partner with you in providing your students the best educational experience possible. The LCC Foundation exists solely to support and enhance our school's Academics, Arts, and Athletics. The San Dieguito Unified High School District covers our basic educational needs, and the Foundation funds supplemental courses, equipment, coaches, and technology that enrich the LCC experience. Last year, we were able to fund more programs and classrooms than we have in years past because of your partnership with us: our new after school enrichment program, our new LCC Speaker Series, our brand new Board Shaping and Fashion Design classes, and much much more.

This year, we have our eyes set on even bigger and better things for our students. As always, we are partnering with Principal Marcus to fund key initiatives and areas of need. We are expanding our LCC Speaker series to include all-school assemblies, college and career speakers, and motivational speakers for our teachers. We are partnering with the District to make major updates to our Performing Arts Theater. We are focused on improving key course offerings and expanding after school opportunities. And as always, we will be granting money to our teachers to fund important projects and supplies in our classrooms. La Costa Canyon has an incredibly talented student body who achieve great things in Academics, Athletics, and Arts. The Foundation relies on your donations to provide funding for a deeper, enriched educational experience. Last year, the number of families who donated to the LCC Foundation doubled; even still, less than 20% of all LCC families contributed. Since the money raised touches ALL LCC students, our goal is 100% participation - at whatever level is possible for each family. On the back of this form, you can read about different giving levels. If you have never supported us before, a simple way to begin is by giving a "dollar a day" for every school day of the year. That would be the **\$180** option you see below.

Please join us as we raise money to help make LCC the school we are all proud of.

Your donation helps fund the following areas for ALL LCC students:

Academics: The majority of your donation is used to help LCC maintain the highest academic standards possible by supporting our faculty and supplementing materials for all subjects in the California Core Curriculum.

Counseling, College and Career: College and Career readiness is something on the mind of every LCC parent. The Foundation organizes crucial SAT/ACT prep courses and provides funding for after-school enrichment and college and career readiness guest speakers.

Technology: Every year, new opportunities arise for the LCC Foundation to fund vital technology upgrades in the classrooms and around campus. This includes computer equipment, software upgrades, and web development that are not covered by Prop or District funds.

STEM: LCC continues to increase its elective offerings and extracurricular activities in research and practical application of science, technology, engineering and math. Robotics, computer science and engineering opportunities would not be possible without LCC Foundation support.

Arts: Your donation supports all courses and programs offered in Video and Film, Dance, Band, Fine Arts, and Theater.
