The *spark* to an extraordinary score

"And how long would you say your son has been a junior in high school?"

Let's face it: the education industry has gotten a little out-of-hand. At Catalyst, we believe SAT and ACT prep are at the very top of all this lunacy. That's why we created our Bootcamp: a comprehensive, affordable, and -- dare we say -- fun way to learn how to ace the SAT or ACT.

Catalyst's two-day **New SAT** and **ACT bootcamps** arm students with go-to strategies for every question they'll face on the day of the test so they can march into the test with confidence, momentum, and every key strategy fresh in their mind.

KUDOS

Congratulations to **Alec Baker**, who became only the 13th Student/Athlete to place at the State Wrestling Championships in our school district history (pictured below in 6th place). There are close to 1,000 schools and no divisions, so to be a state placer is something special!!! **Kai Kramer** placed in the top 12 (he lost a close 1/4 final match 2-1). While **Andrew McDonald** did not place, considering he has only wrestled for two years, to qualify for state is very impressive.
