★ ALL STUDENTS WELCOME!! ★

Semester Wellness Days are days to celebrate all that our students have accomplished and learned in their classes so far. They are days that provide some final review sessions for students, so that they feel prepared and confident going into the last week of 1st Semester. It is a day to get pumped and ready to take on the next week of tests, and concurrently provide students with an outlet for stress release.

Last year, there was a yogurt parfait-making station, an ice-cream station, pizza, subs, bagels, frisbees, coloring, and much more.

Gather your friends and study-buddies, then [sign-up](#) online, or with ASB students during lunch to attend this alternative approach to studying!
