» » » **AP Wellness Day – Saturday, April 29** « « «

AP Wellness Day is a day to celebrate all that the students have already accomplished and learned in their AP Classes. It is a day to provide some last review sessions for students so that they feel prepared and confident going into their AP Exam(s). It is a day to get them pumped and feeling ready to take on the next two weeks of exams and to provide them with an outlet for stress release.

Please support our hard working students as they prepare to take their AP exams. We are requesting food donations for breaks during AP test reviews. We also need parents in 30-45 min shifts at the Student Center to help the students during these breaks. **Click on the SignUp Genius link at right to help or donate.**

Please contact [Michelle Anderson](#) with questions.

Thank you!

**This Weekend!**

The LCC Foundation has been presented with a wonderful opportunity to raise funds for our students. [FINE Magazine](#) will be hosting its annual April in Bloom Spring Fashion Show at [The Forum](#) in Carlsbad, and they asked the [LCC Foundation](#) to be their **event charity partner!** That means a portion of the proceeds raised that evening will be donated to the LCC Foundation. That's great news for our students!

This fashion event will be a memorable night filled with fashions, cocktails, wine tastings, extraordinary culinary treats, and killer entertainment! The highlight of the event will be the fashion show, where models will strut the runway in the latest spring and summer fashions from The Forum.

Tickets are only \$25. Restaurants will provide gourmet bites, and the wine will flow all night long! With a silent and live auction, as well as live music from top local bands and DJ Danny, April in Bloom should be one more event to put on your social calendar this month!

This will be a great opportunity to promote La Costa Canyon High School among the community. In addition, if you wear your most beautiful floral hat creations, you'll have a chance to win a \$250 prize package from The Forum Carlsbad stores and restaurants.

MavLife and MavNation student journalists went to Seattle, Washington for the National Student Press Association spring conference. In addition to crashing a journalism class at the University of Washington, they attended the conference where they took classes from journalism professionals, met thousands of other student journalists, and learned how to perfect their craft. They worked really hard to fundraise for the trip and look forward to bringing all their knowledge to the show and the paper.

### IL COMMITTED PLAYERS

#### Andrew Beacham, M, La Costa Canyon (Calif.), Towson

Beacham wowed at last year's Epoch IL Committed Academy, displaying a dodging ability and a nose for quarterbacking that made him the CAA 2017 team's primary initiator on offense. Beacham is now a key piece for a La Costa Canyon team that emerged as a regional contender in the state of California.
