# Maverick Support at All-Time High

*Foundation surpasses 2016-17  
fundraising goals in record numbers.*

Dear Maverick Family,

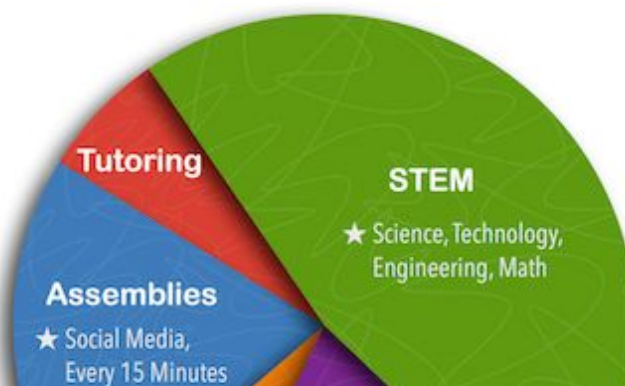

It is hard to believe that another school year is coming to a close. Just last week, I wrote down "June 1st" on a document, and had to take a second look, as this year has flown by. What an amazing year it has been from a LCC Foundation standpoint!

*Parent Donations  
have jumped by  
100% in 3 years.*

Once again, we surpassed our fundraising goals in record numbers. Through your support, we raised **over \$100,000 for our annual parent giving campaign!!** That is a 25% increase from last year alone, and a 100% increase from three years ago. These are just incredible numbers. And we of course raised tens of thousands of dollars more with other fundraising efforts: our Taste of La Costa, business partnerships and sponsorships, grant money, and more.

And as we always say, this money goes *through* the Foundation, not *to* the Foundation. We were able to support so many incredible classes and programs here at the school. The chart below shows the programs we were able to support this year.

## 2016-17 Grants

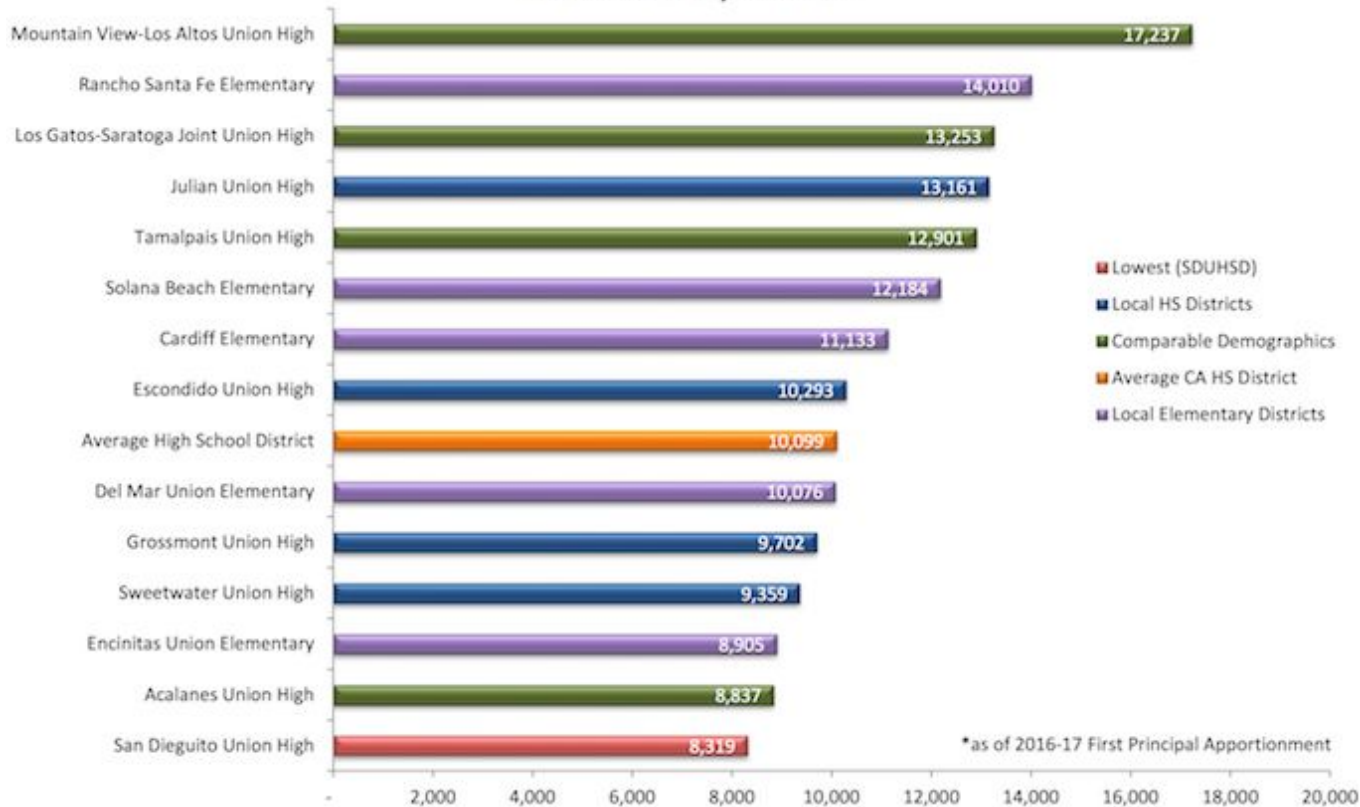

There is a strong misconception that, since we live in an affluent area, our school district is well-funded. This could not be further from the truth. **SDUHSD is dead last in the State of California for district funding per student.** You read that correctly: dead last. There is a long and complicated answer as to why, but suffice it to say we will remain near the bottom in terms of state funding for the foreseeable future. As an example/comparison: the Escondido High School District receives over \$20 million *more* dollars a year in funding than we do. That is roughly \$2,000 more per student. Certainly it is not more expensive to educate a student in Escondido. If anything, it is less expensive when the cost of facilities, utilities, etc. are taken into consideration.

*“Every dollar we  
raise matters,  
because every  
student we educate  
matters.”*

This is where our LCC Foundation comes into play. We cannot possibly make up a \$20 million gap. We can't even make up a \$10 million gap. But we can make a difference. And we have so many classes and programs that simply would not exist if it wasn't for your incredible financial support.

I want you to know that every time you pull out your checkbook or click a PayPal link to donate to the LCC Foundation, your donation matters. It is not simply a throw-away tax write-off. Every dollar we raise matters, because every student we educate matters.

Welcome to LCC!

Love helping out and want to feel connected to your child during their “independent” teen years? You can do that at LCC! Come support your children (and LCC) behind the scenes.

**Join the team!!**

The LCC Foundation is comprised of a fun group of individuals who are dedicated to improving our students’ high school educational and experiential opportunities at La Costa Canyon High School. The Foundation oversees the financial operations and fundraising programs that subsidize LCC’s Athletics, Academics and Arts cornerstones above and beyond what the district is able to provide. Go Mavs!

To register or learn more, visit our [website](#) or our table during Business Days. Forms can also be [downloaded](#) and turned in during Business Days, or emailed to the [secretary@lcchsfoundation.org](mailto:secretary@lcchsfoundation.org) or [lcfoundation@sduhsd.net](mailto:lcfoundation@sduhsd.net).

*Don't have time to volunteer? There are many other ways to support the Foundation. Perhaps your business can sponsor an event, or be one the Foundation's business partners. Please visit our [website](#) to learn more, and contact our*
